Chapter 24 Drawing a Whimsical Scene (Part 4)

GREAT!

COME ON B-KA, RUN!

THWACK...

WAH...

Finally we are filming the last part

The urban legend B-ka is in charge of, "Doppelgänger"

A certain person appears simultaneously in completely different locations...

It's like an occult occurrence when a doppelgänger appears

The doppelgänger will appear in a location related to the person involved

the doppelgänger will not communicate with anyone else in its surroundings.

B-ka is an innocent and naive little child so he does not believe in urban legends and as such...

HE WILL BE KILLED

... So if the person involved and its imposter meet...

UH... UMM...

OF COURSE! THIS IS FOR THE SAKE OF THE BEST PRODUCTION!

pant pant

B-KA, THIS IS UNACCEPTABLE! YOU NEED TO DELVE DEEPER INTO THE CHARACTER!!

EH~~~ Y-YES~~~

From the way he runs, no matter how you look at it, B-ka does run very much like a girl

But he's a male High School student who unfortunately has really smooth legs

pant

His skin is also so fair that it glows

... this cannot continue any further

As a friend, I have the responsibility to make him a strong boy... No

CLENCH

I WILL TRAIN HIM INTO A MAN...!!

DO YOU ACTUALLY THINK THAT YOU CAN MANAGE TO GET INTO KOSHIEN STADIUM BY RUNNING LIKE THAT!

YOU NEED TO MOVE YOUR HANDS!

That moment...

the school bell echoed down the corridors hence drowning the

murmured words of someone

... THIS...
WILL...
SUCCEED...

thump

"CAN YOU PLEASE DESTROY THIS

UNBELIEVABLY BORING WORLD."

TODAY HE CURSES IN HIS MIND AGAIN LIKE ALWAYS

SWOOSH

A-ya, a member of the Occult Research Society

If one word is used to describe him, it would be

[gloomy]

The gloomy him has only one hobby

and that's "Rumors"

smirk

He uses a completely different approach to create rumors that affect society

Seeing how the rumors progress as how he had anticipated is very entertaining

In the end, those rumors are just lies materializing into a delusion in reality

The rumours that he creates

uses the gossip of others to spread in no time

Then, he will patiently listen as a bystander

EVERTHING THAT EXIST IN THIS WORLD

THERE ARE ONLY TWO TYPES OF REALITIES,
WHICH ARE [TRUTH] OR [LIES]

And rumors hang precariously
between both sides

This is why joining the Occult Research Society was a natural thing to do

Although almost no one in society seems to be able to mix with him

but they do share a similarity

Thus, people enjoy rumors

and so does he

From how he sees it, they are not superficial but they do in fact passionately indulge in this

Plus, irrelevant issues are none of their concern

they take rumors seriously

He feels simply elated

I have acquired the [Book of demise]
and the [Bookmark of demise].
The method mentioned previously
really does work!

WHAT
IS
THIS...

AND THIS LAST SENTENCE...

[BOOK OF DEMISE]... [BOOKMARK OF DEMISE]...

The method mentioned previously

should be that special step to conduct the Kokkuri-san game

They actually tried that method to summon the [The book of Demise] that was circulated in the school

So in conclusion, that trial must have failed...

BUT BECAUSE OF THAT, THEY'VE ACQUIRED THE...?

IMPOSSIBLE...

Because the ceremony is just too scary, even remembering it makes me tremble

picks up

ba thump

...?

clatter

IT'S B-KO'S TURN NEXT TO WRITE, RIGHT?

write

write

... WHAT EXACTLY IS HAPPENING ANYWAY...?

That's how it all began

Even though he is supposed to be in PE classe

his friends tell A-na that they bumped into him elsewhere

"I thought I saw you earlier" this is said to him numerous times

again

and again and again

What the...

What exactly is happening anyway...!!

WHAT THE HECK? WEREN'T YOU A BIT RUDE YESTERDAY

EH?

Initially, he thought that they were mistaken

A-YA!

EH, WHAT, IT WAS NEAR THE PARK

I GREETED YOU BUT YOU IGNORED ME AND JUST LEFT

But...

THIS TIME YOU... YOU EVEN GREETED ME?

ba thump

Hh...

HOW DO I PUT IT? YOU KIND OF LOOKED LIKE YOU LOST YOUR SOUL OR SOMETHING?

Ha

GRAB

He didn't go to the park yesterday

Of course he doesn't remember that this student in front of him actually greeted him

This can no longer be a mistake

approach...

DAY BY DAY, THE "IMPOSTER" CREEPS CLOSER

WHO... WHO EXACTLY... ARE YOU?
